1ST SESSION

S. 1619

To amend title XVIII of the Social Security Act to provide for coverage of substitute adult day care services under the Medicare Program.

IN THE SENATE OF THE UNITED STATES

NOVEMBER 1, 2001

Mr. SANTORUM (for himself, Mr. ROCKEFELLER, Mrs. LINCOLN, and Mr. McCONNELL) introduced the following bill; which was read twice and referred to the Committee on Finance

A BILL

To amend title XVIII of the Social Security Act to provide for coverage of substitute adult day care services under the Medicare Program.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Medicare Adult Day
5 Services Alternative Act of 2001”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

8 (1) adult day care offers services, including
9 medical care, rehabilitation therapies, dignified as-

1 sistance with activities of daily living, social inter-
2 action, and stimulating activities, to seniors who are
3 frail, physically challenged, or cognitively impaired;

4 (2) access to adult day care services provides
5 seniors and their familial caregivers support that is
6 critical to keeping the senior in the family home;

7 (3) more than 22,000,000 families in the
8 United States serve as caregivers for aging or ailing
9 seniors, nearly 1 in 4 American families, providing
10 close to 80 percent of the care to individuals requir-
11 ing long-term care;

12 (4) nearly 75 percent of those actively providing
13 such care are women who also maintain other re-
14 sponsibilities, such as working outside of the home
15 and raising young children;

16 (5) the average loss of income to these care-
17 givers has been shown to be \$659,130 in wages, pen-
18 sion, and Social Security benefits;

19 (6) the loss in productivity in United States
20 businesses ranges from \$11,000,000,000 to
21 \$29,000,000,000 annually;

22 (7) the services offered in adult day care facili-
23 ties provide continuity of care and an important
24 sense of community for both the senior and the care-
25 giver;

1 (8) there are adult day care centers in every
 2 State in the United States and the District of Co-
 3 lumbia;

4 (9) these centers generally offer transportation,
 5 meals, personal care, and counseling in addition to
 6 the medical services and socialization benefits of-
 7 fered; and

8 (10) with the need for quality options in how to
 9 best care for our senior population about to dramati-
 10 cally increase with the aging of the baby boomer
 11 generation, the time to address these issues is now.

12 **SEC. 3. COVERAGE OF SUBSTITUTE ADULT DAY CARE SERV-**
